Other matter: (Like the software, we keep it real simple !)

- 3 No title or ownership is conferred with this license.
- 4 You must not remove any copyright notices from any part of this software.
- 5 This software is copyrighted and may not be disassembled, de-compiled, decrypted, or reverse engineered, or have its security tampered with.
- 6 Kiss Software reserves the right to terminate this license upon breach.
- 7 Kiss Software shall not be liable for lost profits, or for any incidental, special, or consequential damages caused by this software.
- 8 Kiss Software will not be held liable to fix any problems caused by your operating systems or their database products, printer drivers, faxing software, word processing software, internet browsers, connections to the internet, or any connections to other software.
- 9 Errors or omissions in the software will be fixed at the discretion of Kiss Software.
- 10 Kiss Software does not warrant or guarantee that the software will meet your requirements. YOU must check that the software meets your requirements before using the software. NO refunds are given.
- 11 Kiss Software reserves the right to restrict the functionality of the software for unregistered users, or for users who have not registered the software to the appropriate level.
- 12 Errors and/or data corruption caused by ANY condition (e.g. power outages, power brown-outs, pc failure, hard drive failure, network failure) MAY be fixable by ourselves but at YOUR expense at our prevailing charge-out rate. (Where you do not wish to restore from backup)

THE FOLLOWING ARE CRITICAL POINTS TO NOTE:

You must not use this system at any time for sending "unsolicited" messages.
We do not consider an appointment reminder as unsolicited (It is a courtesy message)
Sending someone a "marketing" message about a product or service which is usually referred to as SPAM is not tolerated. Reports that you are using the system to send spam will be investigated, and continued breaches will mean we withdraw our services.

If you do not agree or do not like the terms of this License, please do not use the system.
If you make use of this system/software you have indicated your complete and unconditional acceptance of these terms and conditions.
Kiss Software may change, alter, delete, or add to these terms at any time
